Director's News

Thank you to all of our families who were able to come out and join us at our art show, and a big *thank you* to those families who baked or prepared snacks for all of us, as well as those of you who helped us clean up at the end of the night. I think it was a great success in many ways, most importantly that the kids felt proud of the beautiful artwork they created.

It's still technically spring but it's time to get the wheels rolling on Pumpkin Patch planning. I would love to get a Donation Chair before the end of the summer, as some of that work will begin in August – is anybody interested in helping us with this job? This is easily the biggest & most organizational job of the event & I could really use someone's help! The date of the Pumpkin Patch will be October 17th and it will be held at Preston Field.

It has been a wonderful year for us at IVNS and I truly want to thank all of you for sharing your child with us and allowing us to be a part of your child's life. I feel blessed to have had such a great group of families to work with, and I treasure all of the laughs, love, and growth that I've received from your kids over the past 10 months. Next year we'll grow even more together, and I'm always excited about the future of IVNS. I'm looking forward to a GREAT summer, and I hope to see you all out there playing in the sunshine!

Portfolios

Children's portfolios will be ready to bring home with you on the last day of school - June 12th. If your child will not be attending school on Friday, please let us know so that we can ensure your child brings everything home with him/her on their last day of attendance. Aside from the portfolio we'll be sending home their Star of the Week poster, their notebook journal, and other miscellaneous items & artwork.

Camping Week

We will be spending the first week of June learning all about camping. This is always a fun theme and we like to have a few tents set up in our classroom throughout the week. If you have a small tent (kids' play tents or teepees are great) and wouldn't mind sharing it with us - please bring it to school on Monday, June 1st. We'll also be talking about what to pack, campfire safety, how to make trail mix, and we'll learn a few new songs as well.

AM Class Celebration

Since we only hold a graduation ceremony for our PM Class we thought it would be nice to let our AM Class also celebrate their last day of school & the start of summer vacation. On Friday June 12th during the last 30 minutes of class we'll celebrate by singing a few songs and enjoying popcorn & popsicles together. Parents are welcome to join us!
