

Dear IVNS Families,

We will also be using this info for our Star of the Week program, which gives each student their own individual week to be a star. At our Parent Info Night each family will be sent home with a poster kit for their child and then you'll add family photos, drawings, etc, that are special to your child. Each family will be asked to return their child's poster by the middle of September so they can be laminated and placed around the classroom for the duration of the school year.

More information will be presented at Parent Info Night.

Thank You

All About Me
