

Dear Families of 3-Year Olds,

Typically, IVNS would offer a T/TH schedule for your 3-year-olds to attend preschool at IVNS 2 days per week. IVNS will be opening on October 12<sup>th</sup> with a mixed-age classroom and we will only run a MWF schedule until we gain more enrollment. We would like to offer your family a unique opportunity to choose between either a 3-day schedule, or a 2-day schedule. There is a proportional price difference between our 2-day and our 3-day schedules, and while we did not increase tuition this year we felt it may be a lot to expect our families of 3-year-olds to be pushed into our 3 day tuition bracket. Thus, your options at the beginning of the school year are:

2 days per week – Mondays and Wednesdays - \$325 per month

3 days per week – Mondays, Wednesday, and Fridays - \$565 per month

*There is another important factor:* we are hoping that our enrollment will continue to increase throughout the fall and winter. As soon as our numbers reach 15 students, we will need to separate the class and put our 3-year-olds back into their 2 day per week schedule on Tuesdays and Thursdays. At this time regardless of whether you have chosen the 2 day, or 3 day schedule *all families of 3-year olds will be asked to move to a 2-day schedule on Tuesdays and Thursdays. We will give you at least 30 days' notice of this happening.*

It's possible that we end up running the entire school year in our mixed-age class on MWF, and if you choose the 3 day option you may end up getting to keep it for the entirety of the school year. However, it is important that you understand this may not be a possibility and you may have to move into a T/Th 2-day schedule. Again – we will give you at least 30 days' notice of this schedule change if it becomes available.
