

Incline Village Nursery School  
Covid-19 Regulations and Expectations

Child's Name: \_\_\_\_\_

Parent Name: \_\_\_\_\_

Hand sanitizer may be used under adult supervision only. Children are not allowed to have individual bottles of hand sanitizer in their pockets or cubbies. Note that frequent handwashing is more effective than use of hand sanitizers. Sanitizer must be rubbed into children's hands until completely dry. Hand sanitizer is not recommended for children under 24 months. \_\_\_\_\_ (initials)

Parents/caregivers and all children over the age of 2 are required to wear masks in the common areas of St. Patrick's building. (All areas of the building outside of our classroom including bathrooms). Once inside the classroom students are not required to wear masks but may do so if desired. \_\_\_\_\_ (initials)

Children's masks (if reusable) will be taken home at the end of each school day and washed in the appropriate manner to sterilize the fabric. Used masks left in cubbies at the end of the school day will be thrown away. \_\_\_\_\_ (initials)

Parents/caregivers must meet at the classroom entryway for pick-up and drop-off of children. Parents will not be allowed into the classroom unless in an emergency. If parents must enter the classroom, they must wear a mask or face covering at all times and practice social distancing. \_\_\_\_\_ (initials)

IVNS staff members will take child's temperature each morning upon arrival to the classroom with a no-touch thermometer. Temperatures over 100.2\* will not be admitted to school. \_\_\_\_\_ (initials)

Parents/caregivers will be asked to wash their hands or use hand sanitizer before using pens to sign children in and out. Sanitized pens will be provided, or parents can bring their own pen. \_\_\_\_\_ (initials)

Upon entering the classroom each child will wash their hands with a teacher at a designated hand washing sink. \_\_\_\_\_ (initials)

IVNS must exclude any child, parent, caregiver, or staff showing symptoms of COVID-19 until 48 hours after the last symptom (without medication) or until negative Covid test is presented to Director. \_\_\_\_\_ (initials)

Symptoms are:

Fever	Muscle pain
Cough	Headache
Shortness of breath	Sore throat
Difficulty breathing	Congestion/Runny Nose
Chills	Nausea or vomiting

Repeated shaking  
Fatigue

Diarrhea  
New loss of taste or smell

If a child becomes ill with any symptoms of Covid-19 while at school the child must be immediately isolated from other children and placed under appropriate supervision. A parent, or a person designated by a parent must be promptly notified and the child must be removed from the facility as quickly as possible. \_\_\_\_\_ (initials)

If a student or any immediate family members living in the student's household test positive for Covid-19 the school will be informed immediately. \_\_\_\_\_ (initials)

If a student or any immediate family members living in the student's household test positive for Covid-19 you must isolate at home until everyone is symptom free (and without medication) for 3 days (72 hours), and at least 10 days have passed since the first symptom. \_\_\_\_\_ (initials)
